2020 Member Enrollment and Non-voting Volunteer Contact Form

I. General Information: *Marion Fire Auxiliary (MFA) is an incorporated public charity with IRS 501c3 status. Its mission is to support the Marion Fire District. MFA hopes to prevent loss of life by ensuring our community's first responders have gear, training, and equipment to do their jobs safely and effectively. MFA also strives to strengthen the ties between community and fire department to promote recruitment and retention of volunteer first responders. MFA directly solicits the public for charitable contributions and conducts special event fundraisers to finance grants it provides to the Marion Fire District. It is not necessary to become an MFA member to volunteer at special events. Membership conveys rights like those of corporate shareholders: electing directors each December, voting on decisions regarding fundraisers and grants, and changing bylaws. Membership dues are used to cover expenses not directly related to MFA's mission, such as awards and memorials, because contributions solicited from the public are used solely in support of MFA's mission. While supplies last, a T-shirt that demonstrates support of the Marion Fire District is available to new members. **For 2020, membership dues are \$5 per person.** If you wish to be contacted to volunteer for special events, but you do not want to participate in voting during business meetings, please, fill out form to provide your contact information and ignore the membership dues.*
